

# Live Fire Training Instructor Fixed Facility Credential

March 6-8, 2012

Hosted by:  
**International Society of Fire Service Instructors**  
**Northwest Fire District, Tucson, AZ**

The ISFSI Live Fire Instructor Credential Program (Fixed Facility Instructor) is a unique blend of distance learning and an intense 3-day hands-on academy focusing on the responsibilities of instructors charged with the important safety duties of a live fire instructor. This course is based on NFPA 1403 Standard on Live Fire Training for its content and references Live Fire Instructor Principles and Practices by Jones and Bartlett Learning as its text reference. Students will complete an extensive on-line course prior to the hands-on portion and will challenge a series of written and practical examinations to earn this credential.

### **Who Should Attend:**

Training Officers, Instructors, Officers, and firefighters who are interested in making a difference in the creation and execution of safe and controlled live fire training.

### **Why You Should Attend:**

Firefighters are placed at risk during uncontrolled and unsafe live fire training events in fixed facilities.
